

General terms and conditions

1. BroPass agreement

1.1 A BroPass agreement may only be signed by an individual (the "Customer") and is entered into between the Customer and Øresundsbro Konsortiet, Box 4278, 203 14 Malmö, Sweden. The BroPass agreement is a subscription agreement which entitles the Customer to discount on crossings over the Øresund Bridge against payment of an annual subscription fee, and using an ØresundBizz® transponder, a BroKort or another method of payment provided or approved by Øresundsbro Konsortiet from time to time (jointly referred to as "Payment Instruments").

1.2 The BroPass agreement may only be used for private, non-commercial purposes; however, this includes journeys to and from the Customer's place of work.

1.3 The BroPass agreement shall apply until terminated by either party. The Customer shall be entitled to terminate the BroPass agreement at any time by giving notice to Øresundsbro Konsortiet in writing or orally. If Øresundsbro Konsortiet has provided an ØresundBizz® transponder within the scope of this BroPass agreement, the Customer's ØresundBizz® transponder shall be deactivated upon termination by the Customer, without the possibility for reactivation.

1.4 Øresundsbro Konsortiet shall be entitled to terminate the BroPass agreement with immediate effect if the Customer is in material breach of his or her obligations under the BroPass agreement or in the event of any other misuse by the Customer. "Material breach" includes non-payment and a failure to provide the information required pursuant to section 1.6 below. In addition, Øresundsbro Konsortiet shall be entitled to terminate the BroPass agreement on thirty (30) days' notice. Such termination shall be notified to the Customer by email or letter, and be made in relation to all customers with agreements equivalent to that entered into by the Customer.

1.5 Øresundsbro Konsortiet shall be entitled to (a) change the Customer's annual subscription fee and fees specified in section 6.3 below; and (b) make amendments from time to time to the BroPass agreement, effective thirty (30) days after Øresundsbro Konsortiet has given the Customer notice thereof by email. Øresundsbro Konsortiet shall also be entitled to change the prices for crossings from time to time, effective thirty (30) days after such price changes have been published on Øresundsbro Konsortiet's website (www.oresundsbron.com). Continued crossings by the Customer pursuant to the BroPass agreement after price changes and/or amendments to the BroPass agreement have been implemented shall be deemed to entail that the Customer has accepted the new terms and conditions.

1.6 The Customer hereby consents to the automatic registration and processing in Sweden and Denmark of his or her customer details and crossing data for the purposes of customer communications within the scope of the BroPass agreement, and for credit information and debt collection purposes. The Customer shall immediately notify Øresundsbro Konsortiet of any changes to his or her customer details (including a specified debit/credit card).

1.7 Details of crossings made by the Customer and a monthly specification are available to the Customer on Øresundsbro Konsortiet's self-service online service, "My Account". Complaints regarding incorrect registrations of crossings and any other complaints must be submitted as soon as possible. Generally, complaints will not be processed if submitted more than two (2) months after the date on which the registration of a crossing can be viewed on "My Account" or on an account statement for the connected debit/credit card.

1.8 The BroPass agreement is personal and may not be transferred to any third party without Øresundsbro Konsortiet's prior consent. However, the Customer shall be entitled to allow other members of his or her household to use a Payment Instrument provided by Øresundsbro Konsortiet, on condition that the Customer is responsible for paying for the crossings and ensures that the use is in accordance with the terms and conditions of the BroPass agreement.

2. Club Øresundsbron

2.1 Through Club Øresundsbron (the "Benefits Programme"), the Customer receives offers from companies in the Øresund region that cooperate with Øresundsbro Konsortiet ("Partners"). The offers are made available on Øresundsbro Konsortiet's website, by email or letter to the Customer (provided the Customer has consented thereto when entering into the agreement), and via external advertising. www.oresundsbron.com/partner_se contains a list of Øresundsbro Konsortiet's Partners. The list is regularly updated. The Customer will receive information regarding updates in conjunction with Øresundsbro Konsortiet's mail-outs of electronic newsletters.

2.2 Mail-outs of offers are based, inter alia, on the areas of interest notified by the Customer, and previous offers accepted by the Customer. The Customer consents to details of offers

accepted by the Customer being disclosed to Øresundsbro Konsortiet by each Partner and to the registration and processing in Sweden and Denmark of data collected from the Customer for the purposes of adapting the Benefits Programme to the Customer's areas of interest.

2.3 The Customer shall be entitled at any time to cancel the receipt of further offers by notifying Øresundsbro Konsortiet's customer service (kundcenter@oresundsbron.com). However, during the processing period, the Customer may receive pre-planned mail-outs.

2.4 Any offers the Customer receives within the scope of the Benefits Programme are provided by the relevant Partners. Thus, Øresundsbro Konsortiet is not responsible for such offers, and any complaints or claims for compensation relating to an offer which has been accepted must, therefore, always be made to the relevant Partner.

3. ØresundBizz®, BroKort and other Payment Instruments

3.1 The obligation to pay for crossings incurs when the vehicle passes the last exit before the Øresund Bridge.

3.2 The BroPass agreement entitles the Customer to crossings via electronic payment lanes for such categories of vehicle as are covered by the BroPass agreement according to the description on Øresundsbro Konsortiet's website from time to time. The manner of registration depends on the Payment Instrument used. Øresundsbro Konsortiet's website contains detailed information hereof.

3.3 ØresundBizz® transponders provided by Øresundsbro Konsortiet are the property of Øresundsbro Konsortiet and must be returned in undamaged condition (other than normal wear and tear) to Øresundsbro Konsortiet upon termination of the BroPass agreement. Where the Customer's ØresundBizz® transponders are not returned in accordance herewith, a charge of SEK 200 per transponder shall be payable.

3.4 The Customer is liable for authorised use of a Payment Instrument provided by Øresundsbro Konsortiet, unless the amount charged for a crossing is higher than the amount stated in the applicable price list on Øresundsbro Konsortiet's website. "Authorised use" includes personal use by the Customer and the use of the Payment Instrument by other members of the Customer's household in accordance with section 1.8.

3.5 Lost ØresundBizz® transponders must be reported immediately to Øresundsbro Konsortiet on the self-service online service "My Account". In the event the Customer has been careless in storing or using the Payment Instrument, or has failed to immediately report the loss of the Payment Instrument, the Customer shall be liable for unauthorised use of the Payment Instrument up to an amount of SEK 12,000. However, the aforementioned monetary cap shall not apply where the Customer contributed to the loss through fraudulent conduct or otherwise by acting intentionally.

3.6 The Customer shall in no case be liable for unauthorised use of the Payment Instrument after the Customer has reported the loss to Øresundsbro Konsortiet.

4. EasyGo and other partnerships

4.1 Customers with valid ØresundBizz® transponders provided by Øresundsbro Konsortiet shall automatically be entitled to use their ØresundBizz® transponders as a payment instrument when using all toll roads and other transportation-related services connected to the EasyGo partnership (www.easygo.com). The Customer may also use his or her ØresundBizz® transponders in other cases where Øresundsbro Konsortiet has partnerships with external companies. Up-to-date information regarding where the Customer may use his or her ØresundBizz® transponders is available on Øresundsbro Konsortiet's website. The Customer may withdraw his or her ØresundBizz® transponders from use within the scope of the EasyGo partnership by giving notice to Øresundsbro Konsortiet.

4.2 Where the Customer uses toll roads and other transportation-related services within the scope of the EasyGo partnership, or other partnerships entered into by Øresundsbro Konsortiet from time to time, the following provisions shall apply: this section 4 and section 6 below relating to payment terms, and the terms and conditions applied by the relevant operator or company relating to price and the liability of the Customer and the operator or company respectively.

4.3 Any customer who uses an ØresundBizz® transponder provided by Øresundsbro Konsortiet for the purposes of (a) using toll roads or other transportation-related services within the scope of EasyGo; or (b) using another service offered by Øresundsbro Konsortiet in cooperation with a third party, shall pay Øresundsbro Konsortiet for such use. Øresundsbro Konsortiet shall then pass on the payment to the relevant operator or company.

4.4 The Customer is responsible for payment in respect of the use of such ØresundBizz® transponders as have been

provided by Øresundsbro Konsortiet (a) at a toll station owned by another operator connected to the EasyGo partnership; or (b) for the use of other services, until the BroPass agreement terminates or the ØresundBizz® transponder is reported lost, irrespective of whether the Customer or a third party uses the Customer's ØresundBizz® transponder. However, the provisions of sections 3.4 – 3.6 shall also govern the Customer's liability pursuant to this section 4.4.

4.5 Complaints concerning EasyGo passage shall be submitted to the issuer of the payment instrument used for the passage. Complaints regarding any other service shall be submitted to the company that provided the relevant service. Complaints must be made within the period of time stipulated in the terms and conditions of the relevant operator or company.

5. Liability/responsibility

5.1 Crossings over the Øresund Bridge may be delayed or prevented due to, for example, a high volume of traffic, accidents, extreme weather or other damage to, and/or maintenance work on, the Øresund Bridge.

5.2 The Customer is responsible for collecting and assessing up-to-date traffic information in order to ensure that his or her vehicle is driven in an appropriate manner during a crossing. Øresundsbro Konsortiet is not liable for any loss incurred due to the manner in which the Customer or any other road-user drives his or her vehicle during a crossing.

5.3 The Customer undertakes to comply with traffic restrictions imposed on the Øresund Bridge from time to time.

5.4 Øresundsbro Konsortiet is not liable for direct or indirect loss (such as loss of production or loss of income) incurred by the Customer due to a crossing which is delayed or prevented pursuant to this section 5.

6. Price – Payment

6.1 The annual subscription fee and the price for each crossing are determined based on the price list applied by Øresundsbro Konsortiet from time to time. The annual subscription fee and the price for crossings may be changed by Øresundsbro Konsortiet in accordance with section 1.5 above.

6.2 The annual subscription fee shall be charged in advance at the commencement of a new contract year. The first contract year begins on the date of registration of the Customer's BroPass agreement. No notice will be given to the Customer when the annual subscription fee is charged; instead, it is stated in the monthly specification. Upon termination of the BroPass agreement, the remainder of the most recently paid annual subscription fee, calculated from the date of termination of the agreement, shall be refunded less the fee specified in section 6.3 below. Refunds are made on the debit/credit card specified by the Customer.

6.3 In the event the BroPass agreement is terminated within six (6) months of execution, Øresundsbro Konsortiet will charge a fee. The applicable fee is specified on Øresundsbro Konsortiet's website.

6.4 Øresundsbro Konsortiet shall be entitled to charge the annual subscription fee and the cost of crossings made from a debit/credit card specified by the Customer, without the debit/credit card being presented. The Customer is obliged to issue a power of attorney and take such other measures as may be required to enable such payments to be executed from time to time. Øresundsbro Konsortiet reserves the right to verify from time to time the validity of a debit/credit card registered by the Customer.

6.5 In the event of a late payment, interest on overdue payment shall be payable as from the due date in accordance with the applicable interest legislation. Costs may be incurred for payment reminders and/or the debt collection.

7. Video recordings

Video recordings are made at the toll stations for the purposes of taking legal action against perpetrators for unauthorised crossings and for debt collection. CCTV surveillance is also used along the bridge for the purposes of obtaining information about the current volume of traffic and for dealing with accidents.

8. Governing law and disputes

Where the Customer is domiciled in Sweden, the BroPass agreement shall be governed by Swedish law. In such case, any disputes shall be determined by a court of general jurisdiction in Sweden. Where the Customer is domiciled in Denmark, the BroPass agreement shall be governed by Danish law. In such case, any disputes shall be determined by a court of general jurisdiction in Denmark. Where the Customer is not domiciled in either Sweden or Denmark, Swedish law shall apply, and disputes shall be determined by a court of general jurisdiction in Sweden, with the Malmö District Court as the court of first instance, unless the Customer is entitled by statute to demand that proceedings be governed by a different law and/or be conducted in another forum.
